Proceedings of the Madras Government, Financial Department,
21*st January* 1870.

No. 58. Read the following Proceedings of the Government of India, Financial Department, dated Fort William, 7th January 1870, Circular No. 55.

Leave and Allowances.]

It has hitherto been the practice to communicate by endorsement to the various departments and authorities concerned the general rules regarding leave and other allowances which are laid down by this department from time to time. To obviate the labour which this system entails, it has been decided that all future rulings of this department on the subject referred to shall be published for general information in the *Gazette of India*, to which the authorities concerned will be expected to refer. For the sake of convenience, however, unattested copies of the rulings will be forwarded under cover to the several departments of the Government of India and to the authorities with which this department directly corresponds.
