Proceedings of the Madras Government, Financial Department,
19th October 1870.

No. 17. Read the following letter from the Deputy Accountant-General of Mysore, to the Chief Secretary to Government, Fort Saint George, dated Bangalore, 29th September 1870, No. 980 :—

I have the honour, by desire of the Chief Commissioner of Mysore, to forward, herewith, for submission to His Excellency the Governor in Council, the Budget Estimate of Her Majesty's Treasury under this Administration for the year 1871-72.

No. 18. ORDER THEREON, 19th October 1870, No. 432.

It appears, from the Budget Estimate of revenues and receipts for the year 1871-72 of Her Majesty's Treasury under the administration of the Chief Commissioner of Mysore, that the probable receipts, *minus* Income-tax, which was fixed for 1870-71 at Rupees 11,000, will amount to Rupees 25,15,358, against Rupees 25,31,304, the actuals for 1868-69, and Rupees 25,26,069, the estimate for 1870-71.

2. The Government are of opinion that the "Income-tax" for 1871-72, pending any orders which the Government of India may issue on the subject, should be estimated at the same rate as for 1870-71, the actuals for 1868-69 being in excess of the estimate for 1870-71 by Rupees 5,008.

3. Adding the Income-tax (Rupees 11,000), the probable receipts for 1871-72 will amount to Rupees 25,26,358.

4. Under disbursements, the refund for Income-tax may be set down, as in the present year, at Rupees 200. With this addition the aggregate disbursements in 1871-72, under the several heads specified, will amount to Rupees 35,740, the actuals for 1868-69 being Rupees 36,131, and the estimate for 1870-71 Rupees 35,885.

5. It is observed that, as compared with the estimate for 1870-71, there is a decrease under the head of "Treaties and Engagements" of Rupees 415, and an increase under "Miscellaneous—Pagoda and Mosque allowances" of Rupees 120; but the cause of the decrease and increase has not been explained.
