No. 41. Read the following despatch from the Right Honourable the Secretary of State for India, to His Excellency the Right Honourable the Governor in Council, Fort Saint George, dated India Office, London, 12th October 1870, No. 105 (Financial):—

I forward, herewith, copy of correspondence with Mr. F. Brandt, C. S., relative to the grant to him of an extension of leave on medical certificate, and with Mr. F. S. Child, C. S., respecting his return to duty before the expiration of his leave.

From Mr. Brandt, dated 3rd October 1870.
To " " 5th " "
Letter from Mr. Child, 30th September 1870.
" to " 4th October 1870.

From F. BRANDT, Esq., M. C. S., to the Right Honourable the Secretary of State for India, dated London, 3rd October 1870.

On the 9th April 1869, I left India, on medical certificate, for eighteen months, under the Covenanted Civil Service Regulations. My leave, therefore, expires on the 8th instant.

2. On the 8th September last, I appeared before a Medical Board at the India Office, and was recommended for an extension of six months' leave.

3. I write to request you will be pleased to grant me the extension recommended, notwithstanding that there has been delay in application, without prejudice to my appointment and allowances.

4. It was scarcely possible for me to have complied with the requirement of the rule which prescribes that application for extension of leave should be made three months before the expiry of actual leave. I was desirous to return to India this month; but, since June, my medical adviser has hinted that it might be necessary for my health to take an extension, but, in the hope of its being not necessary, I have from week to week delayed applying until it became absolutely necessary, nor until shortly before I did appear before the Board could I state *what amount* of extension was required.

5. Delay in applying to you, Sir, for extension granted on the certificate of the 8th ultimo has arisen from ignorance of the routine of business in the India Office, as I unwisely trusted to the information of the messenger in attendance on the Board, by whom I was given to understand that my leave would, without further action on my part, appear gazetted in due course. I now find that the certificate would have remained unnoticed, as it has been, and that formal application to you is necessary.

6. As it is, my appointment will be at the disposal of the Madras Government from the 8th instant, until they receive your orders. And, should I be made to suffer the penalty of my delay, I shall not only have to return without a substantive appointment (a most serious matter under the present rule relating to acting appointments), but my allowances will be reduced by one-half while I remain in England.

7. I trust, Sir, that, as my delay in appearing before the Board arose chiefly from a wish not to extend my leave if possible, you will be pleased to consider favourably the request contained in the third paragraph of this letter.

From the Financial Secretary, India Office, to F. BRANDT, Esq., M. C. S., &c., &c., &c., dated India Office, 5th October 1870.

I am directed by the Secretary of State for India in Council to acknowledge the receipt of your letter of the 3rd instant, and to acquaint you, in reply, that, under the explanation given, and in accordance with the recommendation of the Medical Board, your leave has been extended for six months, but it must rest with the Government of Madras, to whom a copy of this correspondence will be forwarded, to determine as to the retention by you of your appointment.

Proceedings of the Madras Government, Financial Department, 29*th November* 1870.

From F. S. CHILD, Esq., Civil and Sessions Judge of Tinnevelly, to the Under Secretary of State for India, dated Shenley, Herts, 30th September 1870.

Though my leave on furlough does not expire till September 1871, I presume that there will be no objection to my returning to my duty at the latter end of the present October, and I have the honour to request leave to return accordingly.

From the Financial Secretary, India Office, to F. S. CHILD, Esq., dated India Office, 4th October 1870.

I am directed by the Secretary of State for India in Council to acknowledge the receipt of your letter of the 30th ultimo, and to acquaint you, in reply, that you have permission to return to India, but it must rest with the Government of Madras to decide as to cancelling the unexpired portion of your leave and permitting you to resume your duties at Tinnevelly.
