No. 20. Read the following letter from the Deputy Secretary to the Government of Bombay, Marine Department, to the Secretary to Government, Fort Saint George, dated Bombay Castle, 25th November 1870, No. 764:—

I have the honour to acknowledge the receipt of your letter, No. 390, dated 23rd September last, making certain inquiries respecting the arrears of pension claimed by Mr. J. Smith, late Mechanical Engineer, Bombay Marine, and, in reply, am directed to transmit the accompanying copy of a report by the Accountant-General, No. 225, dated 15th instant.

MARINE DEPARTMENT.

REPORT.

The undersigned has the honour to report, with reference to the inquiries made by the Madras Government, that Mr. J. Smith, 1st Class Engineer of the Bombay Marine, would, had he retired at the time, have become entitled to the pension of 2*s.* 6*d.* per day from the 13th January 1867, the date following that on which his twelve months' notice to quit expired; but that, as he appears to have subsequently, and, apparently, continuously, entered on service in the Civil Department, such pension is payable only from the date his latter services were dispensed with. Moreover the orders referred to by Mr. Smith, under which pension and pay are claimed, came into operation in October 1868; but, as under subsequent Order dated 30th June 1869, No. 1582, such claims were made contingent on the re-employment of pensioners being confirmed by the Government of India, and it does not appear that his transfer to the Civil Department received such sanction, I am of opinion that he cannot draw his Marine pension with retrospective effect from date of expiry of his notice to quit that Department.
