No. 27. Read the following letter from the Secretary to the Civil Fund, to the Chief Secretary to Government, Fort Saint George, dated Madras, 29th November 1870, No. 409:—

I am desired, by the Trustees of the Civil Fund, to inform you that, on closing the accounts of the Civil Service Annuity Fund and Civil Fund Charity and Provident Branches for the year 1869-70, I find that the actual balances of interest to be credited to the Funds on the 1st April 1870 exceed the amounts granted by the Budget for 1870-71, by the sums noted in the margin; this excess arose from the receipts of the Funds for 1869-70 being credited to them on earlier dates than was anticipated, and from the charges incurred by the Funds during the year falling short of those estimated. I am, therefore, desired to forward the accompanying supplemental estimate of charges against Government on account of interest to be credited to the Funds above mentioned during the year 1870-71, in continuation of that furnished to Government with my letter, dated 21st October 1869, No. 389, and to request that you will be good enough to obtain the sanction of the Government of India for crediting the Funds with these excesses also on the 1st April 1870.
