Proceedings of the Madras Government, Financial Department, 28th December 1870.

No. 32. Read the following letter from the Assay Master, Madras, to the Chief Secretary to Government, Fort Saint George, dated Madras, 30th November 1870, No. 234:—

Referring to paragraphs 2 and 4 of my predecessor's letter, No. 1503, dated 5th November 1870, and to my Official Memorandum, No. 1573, dated 22nd idem, I have the honour to state, for the information of Government, that the undermentioned servants were retained in service during the month of October and discharged on the 31st of that month:—

	RS.
One European Warder	100
One Bullion Maistry	14
Seven Gollahs, at ten Rupees each	70
Four do. at eight do.	32
Two Lascars for records, at seven Rupees each	14
One Waterman	5
One Sweeper and Scavenger	4
Total...	239

2. Excepting the two lascars, the other men have been paid from the Mint Treasury. I, therefore, request that Government will be pleased to authorize the Accountant-General to pass the salaries of the said men, Rupees 239, to enable me to refund the amount to the Treasury.

3. The following are the men entertained from 1st November 1870:—

		RS.
For gate. ...	One Native Warder	20
	Four Gate and Searching Gollahs, at eight Rupees each ...	32
For Military Guard.	One Waterman	5
	One Sweeper and Scavenger	4
	Two Lascars to look after the records of the late Mint, at seven Rupees each	14
	Total...	75

4. The early sanction of Government is solicited to the above, as some of the men have not been paid for the last two months and are becoming clamorous.

5. The orders of Government on this matter are necessary to enable me also to furnish Dr. Bellew with the required acquittance receipts, on his giving over charge to me of the cash in the Mint Treasury, and the want of these receipts may delay his departure from the Presidency.

No. 33. ORDER THEREON, 28th December 1870, No. 514.

His Excellency the Governor in Council authorizes the Accountant-General to pass the sum of Rupees (239) two hundred and thirty nine, referred to in paragraph 1 of the foregoing letter.

2. Referring to the establishment particularized in paragraph 3, and stated to have been employed since the 1st ultimo, His Excellency in Council observes that sanction was accorded on the 6th instant, in Order, No. 487, for a gate establishment, at a cost of Rupees 61, as recommended in paragraph 4 of the Acting Assay Master's letter, dated the 5th ultimo, No. 1503.

Proceedings of the Madras Government, Financial Department,
28th December 1870.

3. No application was made in the letter referred to for the employment of two lascars, at Rupees seven, to look after the records of the late Mint, and, under the instructions contained in G. O., dated the 26th October last, No. 439, the Government decline to pass the wages due to them from the 1st ultimo.

No. 35. Read the following letter from the Accountant-General, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 15th August 1870, No. 144 :—

Budget Department.

I have the honour to inquire whether the ruling prescribed by Government of India in their Resolution, No. 1793, dated 31st March last, read in G. O., Revenue Department, No. 651, dated 6th May last, which requires the submission of revised Local Funds Estimates after the 31st July in each year, has reference also to "Municipal Funds," and if so, by what Department the revised estimate for the funds in question should be prepared.

No. 36. ORDER THEREON, 25th November 1870, No. 475.

The Government are of opinion that the order in question was intended to apply only to those Local Funds, the receipts and expenditure of which are immediately controlled by officers of Government, and, therefore, not to Municipal Funds, which are merely deposited in Government treasuries for safe custody.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from the
Accountant General.

(Dated 15th August 1870 No. 1444)

Order thereon 25 Nov. 1870 No. 675.

The Government are of opinion that the order in question was intended to apply only to those Local funds, the receipts and expenditure of which are immediately controlled by officers of Government, and therefore, not to Municipal funds, which are merely deposited in Government treasuries for safe custody.

To apply the order to Municipal Funds would occasion immense trouble, for no doubt besides be useless as municipal budgets are prepared with but very slight care and not even approximately adhered to.
