No. 34. Read the following letter from the Deputy Accountant-General, Mysore, to the Chief Secretary to Government, Fort Saint George, dated Bangalore, 13th December 1870, No. 1304:—

With reference to the Proceedings of the Madras Government, Financial Department, and paragraph 5 of Order thereon, No. 18, dated 19th October 1870, I have the honour, by desire of the Chief Commissioner of Mysore, to forward the enclosed explanatory statement, showing the cause of the decrease of Rupees 415 in the Budget Estimate of 1871-72 under the head of "Treaties and Engagements" as compared with that of 1870-71. Also copy of a docket, No. 175, dated 3rd instant, from the Civil Pension Paymaster of Mysore, in explanation of the increase of Rupees 120 in the estimate for 1871-72 under "Miscellaneous—Pagoda and Mosque Allowances."

From the Civil Pension Paymaster of Mysore, to the Officer in charge of Her Majesty's Treasury, Bangalore, dated 2nd December 1870, No. 175.

Your docket, No. 1214, dated 23rd November 1870. In forwarding the accompanying copies of correspondence between this Office and the Secretary to the Chief Commissioner, the undersigned has the honour to state that, when the Budget Estimate for 1870-71 was submitted, the question of travelling allowance had not been settled. It will be observed, from the above correspondence, that two visits to Seringapatam per month appeared necessary, which was sanctioned by the Chief Commissioner, and travelling allowance at that rate has, therefore, been entered in the Budget Estimate for 1871-72.

From the Town Magistrate and Civil Pension Paymaster, to the Officiating Secretary to the Chief Commissioner, Mysore, dated Mysore, 29th September 1869, No. 174.

As several irregularities connected with the Goombuz, which are at present under my charge, have lately been brought to my notice, and as I can only ascertain, from occasional personal observation, that the grounds for which an establishment of twelve gardeners is provided are properly attended to, and that the yearly allowance of Rupees 4,060 for various charities is justly expended, I have the honour to request that the Chief Commissioner will be good enough to sanction my drawing travelling allowance twice in each month, should it appear to me necessary to visit Seringapatam.

From the Secretary to the Chief Commissioner of Mysore, to the Civil Pension Paymaster, Mysore, dated Bangalore, 4th October 1869, No. 292.

Your letter, No. 174, dated 29th ultimo, requesting sanction to travelling allowance for inspecting Goombuz, &c., at Seringapatam twice a month.

2. With reference to the above letter requests to furnish an explanation as to the nature of the irregularities which have been brought to notice.

From the Town Magistrate and Civil Pension Paymaster, to the Secretary to the Chief Commissioner, Mysore, dated Mysore, 8th October 1869, No. 185.

In reply to your docket, No. 292, dated 4th October 1869, I have the honour to inform you that, from the monthly allowance of grain for distribution as charity and for the purchase of which a monthly sum of Rupees 240 is provided, I ascertained that nearly 200 measures had been collected for a woman who has not been heard of for the last fifteen months; that application was made for

daily charity for the benefit of another woman, whose residence or existence, even on inquiry, could not be ascertained, and that many women, for whom charity is drawn, not only do not appear in person, but, I understand, are actually residents in distant taluqs.

2. These are the irregularities which I brought to notice.

From the Secretary to the Chief Commissioner, Mysore, to the Civil Pension Paymaster, Mysore, dated Bangalore, 12th October 1869, No. 307.

Your letter, No. 185, dated the 8th instant, explaining the irregularities in the Goombuz that have been brought to notice.

2. With reference to the above letter conveys the Chief Commissioner's sanction to his drawing travelling allowance, at the prescribed rates, on the occasion of his making visits of inspection to Seringapatam, &c.
