Proceedings of the Madras Government, Financial Department, 27th January 1870.

No. 82. Read the following Resolution of the Government of India, Financial Department, dated Fort William, 9th December 1869, No. 3061.

Leave and Allowances.]

The Governor-General in Council is pleased to declare that the rule prescribed in the Resolution of the Financial Department, No. 2236, dated the 26th July 1869, to the effect that no officer will draw the pay of any appointment until he has actually taken charge thereof, was meant only to withdraw the exceptional rule referred to, which previously obtained regarding an officer returning from leave who had lost his appointment. It was not meant to deprive an officer of the substantive pay of a post to which he might be transferred while acting in some other appointment. In such cases it is, of course, unnecessary for the officer to join his new substantive appointment in order to obtain the pay thereof. In the case of an officer returning from furlough, having no appointment, if he be appointed substantively to one post, and to act in another, he will commence drawing the substantive pay and acting allowances from the time he takes charge of his acting appointment.

Ordered that the foregoing Resolution be published in the *Gazette of India*, and communicated to the other departments of the Government of India, the several Local Governments and Administrations, the Comptroller-General of Accounts, the Director-General of the Post Office of India, and the several Accountants-General, and Deputy Accountants-General in independent charge.
