FROM

J. I. MINCHIN, ESQ.,
Acting Chief Secretary to the Government of Fort Saint George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

Referring to the Circular, No. 3047, dated the 13th December last, noticing the expenditure under the heads of "Administration and Public Departments," "Law and Justice," and "Stationery," I am directed to transmit copy of a statement furnished by the Accountant-General, showing the Budget grant for the current year, and the expenditure for nine months of the current, and the actuals for nine months of the past year.

2. It will be observed that the expenditure in 1869-70, under the three heads adverted to, has exceeded the actuals for 1868-69. The Accountant-General has, in the opinion of this Government, satisfactorily explained the causes of excess in the column of remarks. The Government do not apprehend that the grants under "Administration and Public Departments," and "Law and Justice," will be exceeded.

3. That the reduced grant for "Stationery" was insufficient was brought to the notice of the Government of India in the Chief Secretary's letter, dated the 16th August 1869, No. 1151, and it will be seen from the enclosed copies of the Proceedings of this Government, that they have adopted such measures as were feasible for keeping down the cost of stationery and printing. A separate application will be shortly submitted to the Government of India for the transfer of funds from other heads of the Budget to meet the excess under "Stationery and Printing."

STATEMENT showing the Budget grants and the expenditure under the following heads for nine months ending 31st December 1869, compared with the actuals for the same period last year.

	Head of Expenditure.	Grant for 1869-70.	Expenditure from April to December 1869.	Expenditure from April to December 1868.	Difference between two preceding columns.	Remarks.
		RS.	RS.	RS.	RS.	
16	Administration and Public Departments.	13,77,400	10,21,883	10,17,976	3,907	The increase is only Rupees 3907, which is attributable partly to the charge for sanitary administration, which has for the first time this year been shown in the Civil accounts, and partly to the adjustment of official postage up to October 1869, whereas this charge was adjusted for the whole twelve months of 1868-69 in the last monthly account for that year.
17	Law and Justice.	44,13,500	31,33,456	30,46,860	86,596	Of this increase of Rupees 86,596, Rupees 25,000 are on account of official postage up to October 1869, which charge for the whole twelve months of last year was adjusted in the last monthly account. The other increases occur under High Court and Civil and Session Courts and are due to the deputation allowances drawn by officers acting for the permanent incumbents absent on leave and other duty, to the moiety of salary of the Commissioner of Neilgherry Hills for nine monthsbeing taken to account, whilst one-fifth for three months only was exhibited in the account up to December 1868, to the increase in the commission to Deputy Registrars in consequence of increase of fees realized under Act XX. of 1866, and, lastly, to the heavier disbursements made on account of purchase of raw materials, especially in Godavery Central Jail.
23	Stationery and Printing.	3,41,700	3,14,108	2,66,002	48,106	This increase is owing to the larger supply of stationery having been purchased in this year than in last,to the higher expenses incurred on account of piece-work at the Government Press, and for the purchase of printing materials for the same, (*vide* G. O., P. D., of 11th June 1869, No. 787,) and to larger payments on account of contract and miscellaneous printing by the Government Translators.
