*Proceedings of the Madras Government, Financial Department,
13th March 1871.*

No. 17. Read the following letter from the Acting Accountant-General, Madras, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 28th February 1871, No. 129:—

Audit Department.

I have the honour to inquire whether it is considered necessary by Government that each Officer returning from leave to Europe should apply for subsidiary leave to rejoin his former appointment, or to join one to which he may have been appointed during his absence.

2. Section XI. of the Covenanted Civil Servants' Leave Code regulates this species of leave to Officers in the Civil Department, and the Audit Department can, if permitted to do so, as it did under former rules, see that the limit (30 days) therein allowed is not exceeded, except under special orders of Government. Under these circumstances, it seems to me unnecessary that Government should be troubled with applications from Officers for subsidiary leave on return to duty.

No. 18. ORDER THEREON, 13th March 1871, No. 103.

The Government agree with the Acting Accountant-General, and direct that the existing practice of the Audit Department be continued.
