Read again—

Financial Resolution, No. 3334, dated 14th December 1870, allotting to Local Governments specific sums for various Provincial Services.

RESOLUTION.—To enable the Local Governments to inaugurate successfully the scheme set forth in the above-mentioned Resolution, the Governor-General in Council has determined to make a special allotment of funds to begin with, in addition to the regular allotment that will be made year by year for the next and subsequent years. The regular annual allotments have been made on the basis of the Budget grant for 1870-71. But as savings have been effected in the current year on these grants, aggregating perhaps £200,000 (though the precise amount cannot be stated with certainty), His Excellency in Council is pleased to allow a special allotment of that amount from the resources of this year, and to distribute it rateably among the Local Governments in the following proportions:—

	£
Oudh	9,399
Central Provinces	11,994
British Burmah	...
Bengal	53,287
North-Western Provinces	28,246
Punjab	23,521
Madras	33,467
Bombay...	40,086
Total...	200,000

Ordered that a copy of this Resolution be sent to the Home and Public Works Departments, the Local Governments, the Provincial Accountants-General, and the Comptroller-General.
