17th May 1871.

No. 20. Proceedings of Government, dated 17th May 1871, No. 195.

His Excellency the Governor in Council observes that some time must yet elapse before the Government will be in a position to determine the whole amount which it will be in their power to allot for expenditure on Public Works, under the heads of service which are now provincial.

2. It has been determined that the sums which are to be given from Provincial Funds for communications shall be assigned to the Local Fund Boards of the several Circles as lump grants-in-aid. These cannot yet be made; but, in order that the Public Works Department may proceed to the preparation of a detailed Budget for Civil Buildings and Miscellaneous Public Improvement, His Excellency in Council resolves to intimate to that Department that a sum of Rupees 6,89,500 will be available for expenditure under those heads.
