Proceedings of the Madras Government, Financial Department,
3rd June 1871.

No. 3. Read the following letter from the Under Secretary to the Government of India, Financial Department, to the Chief Secretary to the Government of Bombay, dated Simla, 15th May 1871, No. 381 (Accounts):—

I have the honour to acknowledge the receipt of your Memorandum, in the Financial Department, No. 566, dated 25th April 1871, inquiring what procedure is observed in the Financial Department of the Government of India in regard to imperial expenditure, with a view to determine what course should be adopted by the Financial Department of the Local Government in respect to expenditure from allotments for provincial services.

2. In reply, I am directed to state that the Accountant-General, Bombay, has rightly described the procedure in regard to imperial expenditure, viz., that the Department concerned considers and disposes of applications for sanction in the first instance, and then forwards them to the Financial Department for sanction and for the issue of the necessary orders to the Department.

3. As regards expenditure for provincial services, all new salaries, or increases to salaries, or any permanent charges whatever, should go up to the Financial Department, but contingent bills and such like need not be referred to that Department if within the total amount assigned in a sanctioned budget.

Copy forwarded to the other Local Governments and Administrations and the Accountants-General concerned, for information and guidance.

(Signed) J. WESTLAND,
Under Secy. to the Govt. of India.
