No. 41. Read the following letter from H. W. GRAHAM, Esq., Assay Master, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 9th January 1871, No. 260:—

With reference to paragraph 3 of the Order of Government, 28th December 1870, No. 514, I have the honour to submit the following for the consideration of His Excellency the Governor in Council.

2. The two Lascars to look after the late Mint records were entertained by my predecessor and continued in service up to date of receipt of the Order above referred to, and, in stating in paragraph 3 of my letter of 30th November, No. 234, that these men were entertained from 1st November, I beg to explain that they were not entertained *by me anew*, as I had taken charge only on the 14th November: they were retained in employ by Dr. Bellew from the 1st November, their service continued pending the orders of Government, and by some oversight they had been omitted in my predecessor's letter of 5th November 1870, No. 1503.

3. As the wages of these men have already been passed for October under the circumstances above stated, I trust that Government will also sanction the disbursement of the wages due to them for November, December, and up to the 7th current.

4. Dr. Bellew has proceeded to England, not having waited for the sanction of Government to the establishment he entertained; and, if Government still decline to pass the wages due to the two above-mentioned Lascars, I should be obliged by orders as to how the men are to be paid.

No. 42. ORDER THEREON, 19th January 1871, No. 27.

Under the explanation afforded in the foregoing letter, His Excellency the Governor in Council sanctions the disbursement of the wages of the two Lascars referred to, from the 1st November to the 7th January 1871, inclusive.
