No. 6. Read the following extract from a letter addressed by the Government of India, Financial Department, to the Chief Secretary to the Government of Bombay, dated Simla, the 19th July 1871, No. 1960 :—

Reduction of establishment, implying abolition of the office held by the applicant, is (as is clear from Rules 9 and 14 of the Pension Rules of 13th April 1864) the only condition on which a pension of the class referred to can be granted. Cases where it becomes necessary on public grounds to discharge an officer without any fault of his own, because a change has been made in the nature of the duties falling to be performed by him, are not provided for in the Pension Rules; and, if it be considered necessary to award a pension, they should be referred, as special cases, to the Government of India.

ORDER.—Ordered that the above be furnished to the several Departments of the Government of India, the several Local Governments and Administrations (Government of Bombay excepted), the Comptroller-General, the several Accountants-General, and the several Deputy Accountants-General in independent charge.
