*Proceedings of the Madras Government, Financial Department,
7th August 1871.*

No. 8. Read the following Notification of the Government of India in the Financial Department, dated Simla, the 21st July 1871, No. 2116:—

Accounts.

Under instructions from the Right Honourable the Secretary of State for India the Governor-General in Council is pleased to notify that the rate of exchange fixed in the Financial Notification, No. 836, dated 10th February 1871, for officers' remittances and effects, viz., 1s. 11d. per Rupee for the year 1871-72, shall be adopted in the recovery in India, from Civil Engineers, Mechanics, and others, of the portions of their salaries which have been made payable to their families in England.

2. The privilege of making family allotments in England will, for the future, as a general rule, be strictly confined to the class of Mechanics, Boiler-makers, &c., who would probably find it very difficult to make remittances through ordinary channels. Special cases, however, will be considered by the Secretary of State and decided on their merits.

3. The remittances to England of any Civil Officers who enjoy the privilege, and of the Administrator-General and Official Trustee in each of the three Presidencies, will be adjusted from the current year, 1871-72, at the rate fixed for officers' remittances.

Copy forwarded to the Governments of Bombay and Madras, to the Home Department, and to the Public Works Department.

(Signed) R. B. CHAPMAN,
Secy. to the Govt. of India.
