No. 10. Read the following Resolution of the Government of India in the Financial Department, dated Simla, the 14th July 1871, No. 1928 :—

Accounts.

Read the following extract from Financial Resolution No. 1326, dated 17th June 1870 :

Paragraph 11.—It is usually found convenient for a Local Government before passing orders to obtain the advice of the Local Accountant or Deputy Accountant-General as to any particular application of any financial rule or order concerning which there can be any doubt. Whenever an Accountant or Deputy Accountant-General is of opinion that any proceeding of a Local Government transgresses any such rule or order, it is his duty respectfully to advise the Local Government accordingly. In either case the Local Government may follow or disregard the advice of the Accountant-General as may seem to it right.

But if the Accountant or Deputy Accountant-General does not finally acquiesce in the correctness of the decision of the Local Government, it is his duty respectfully to request the Local Government to submit the question for the orders of the Supreme Government. The Supreme Government does not usually receive any communication upon such matters from an Accountant or Deputy Accountant-General, except through the Local Government; but a Local Government must not withhold any such representation made by an Accountant or Deputy Accountant-General unless it yields thereto.

ORDER.—Ordered that the foregoing be communicated to the several Departments of the Government of India, the several Local Governments and Administrations, the Comptroller-General, the several Accountants-General, and the several Deputy Accountants-General in independent charge.
