No. 18. Read the following Proceedings of the Board of Revenue, dated 20th July 1871, No. 3041:—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 11th July 1871, No. 961:—

With reference to Rules 10, 44, 48, and 51 of the Lcoal Fund Rules lately framed by Government, and to Statements III., IIIA, IV., IVA, I have the honour to request instructions as to whether the charges for Dispensaries, Vaccination, Normal Schools, and the Inspecting staff of Schoolmasters are to be met from the one-third of the road-cess collections, or whether any portion of the expense can be borne by the surplus Union Funds.

2. Rule X. limits the expenditure to *within* the union; but, as in Statement III. there are columns (12 and 13) to show the expenditure charged to a union on account of Dispensaries, Choultries, &c., it may be intended that all unions should bear a proportionate share of the general, educational, and sanitary expenditure of the Circle. I have, therefore, the honour to request the instructions of the Board in the matter.

The expenditure to which the Collector refers should be paid from the General Fund for such purposes which consists of one-third of the land cess.

2. It is apparently the intention of the Rules that this Fund should be applied first to paying educational and sanitary expenses such as are not chargeable to unions, and, second, to supplementing Union Funds when they are deficient.

No. 19. ORDER THEREON, 14th August 1871, No. 324.

The orders of the Board of Revenue are correct in the main, but the Government do not approve of the one-third of the land cess being spoken of as if it constituted a separate and specific fund. The "General Fund" can only mean all money belonging to the Local Fund Board not applicable solely to the purposes of the Road, Union, and Endowment funds. It may, therefore, consist of much more than the one-third of the land cess, *e.g.*, of contributions, grants, subscriptions, interest, proceeds of sale of property, &c., &c. It is competent to the Local Fund Board to allot it, as they please (subject to sanction of the controlling authority), either to the Road Fund or for any other purpose.
