No. 22. Read the following letter from the Assistant Secretary to the Government of India, Financial Department, to the Chief Secretary to Government, Fort St. George, dated Simla, 22nd July 1871, No. 2222:—

I have the honour to acknowledge the receipt of your letter, No. 237, dated the 16th June 1871, and its enclosure, pointing out that the sum of Rupees 22,440, disallowed by this Government from the Madras Medical Budget Estimate for 1871-72, included Rupees 13,200 on account of the salaries and house-rent of certain Uncovenanted Medical Officers in charge of Civil Stations, which are debitable to the Imperial grant, and soliciting for that purpose an addition of that amount to the Madras Imperial grant for Medical Services for 1871-72.

2. In reply, I am directed to state that, as the amount short allowed in the Imperial grant was over-allowed in the Provincial allotment, the Governor-General in Council authorizes the additional grant applied for by reduction of a corresponding amount from the allotment for Provincial services. The reduction will be made from the extra sum which was lately added to Provincial Services of the Madras Presidency on account of the saving in the Government grant for municipal expenses.
