Proceedings of the Madras Government, Financial Department,
16th August 1871.

No. 43. Read the following letter from the Superintending Engneer, 6th Division, to the Secretary to Government, Public Works Department, Fort St. George, dated Puttucottah, 11th July 1871, No. 329:—

I have the honour to inform you that I have appointed one Ramachendriah a Local Fund Overseer in the Trichinopoly District. As a special case his entertainment as an Overseer on the Imperial Establishment was sanctioned by Government, and, when I appointed him, he was in temporary employment as a Surveyor on the proposed Mysore Railway under Captain Lindsay.

G. O., No. 1133, dated 21st April 1871.

His age is thirty-five years, and, under the order of the Supreme Government noted in the margin, the Controller states that he is unable to pass the salary of Local Fund Overseer Ramachendriah.

G. G. O., No. 423, 20th January 1871.

In appointing Ramachendriah I supposed that the order quoted above related to members of the imperial establishments and not to members of the local establishments who have no examinations to pass: if my view is incorrect, I beg that the Controller may be permitted, as a special case, to pass the salary of Local Fund Overseer Ramachendriah from the date* of his joining till the end of July, when I hope to have returned to head-quarters and to have been able to arrange for the appointment of his successor if necessary, or till such time as I may be able to obtain the services of a duly-qualified Local Fund Overseer to succeed him.

* 26th June.

Referred to the Financial Department for an authoritative ruling on the question as to whether persons paid from local funds come under the operation of the orders of the Government of India, dated 20th January 1871.

FORT ST. GEORGE,
25th July 1871.

(Signed) J. CARPENDALE, Colonel, R. E.,
Secy. to Govt., P. W. D.

No. 44. ORDER THEREON, 16th August 1871, No. 337.

The Government are of opinion that the order in question applies to persons on establishments of Local Funds which fulfil the requisites laid down in the Resolution of the Government of India, No. 2197, dated 24th April 1868, and these will include the road fund and probably the funds constituted under Act III. of 1871. As service on such establishments may be added to service on imperial establishments for pension, the twenty-five years' rule must apply to them.

2. As regards the present case, the attention of the Public Works Department is called to the Notification published under date the 25th July 1871.
