Read the following papers:—

No. 66. From A. MACGREGOR, Esq., Collector of Malabar, to the Acting Chief Secretary to Government, Fort St. George, dated Calicut, 6th June 1871, No. 42.

Adverting to G. O., dated 25th May 1871, No. 702, I have the honour to enclose a list of the Rate School Commissioners as at present existing, and to state that it appears to me desirable that they should be re-appointed by Government under Section 33.

2. It will be observed that the Commissioners for the Palghaut Rate School are numerous, but it should be remarked that the school has an attendance of upwards of 400 and is an important institution above the standard of a Zillah School approaching that of a Provincial School. I take this opportunity of stating my opinion that the present establishment of one Inspector of Schools for Malabar and *Canara*, and one Deputy Inspector for both the Tellicherry and Calicut Circles, is insufficient to render the Local Boards the necessary assistance in starting the new educational scheme.

3. I have not included the Inspector and Deputy Inspector of Schools, as I presume that, in the rules to be framed by Government, it will be provided that a member of a Local Fund Circle Board attending a Rate School Committee meeting will be *ex-officio* a member.

No. 67. From the Acting Collector of Malabar, to the Acting Chief Secretary to Government, Fort St. George, dated Calicut, 24th July 1871, No. 57.

I have the honour to request the early appointment, under Section 33 of Act IV. of 1871, of the Local Committees for the management of the several Rate Schools in this District. A list of the names of persons who should constitute the several Local Committees was submitted with Mr. Macgregor's letter, dated 6th June 1871, No. 62. The Commissioners under Act XI. of 1863 having lost their power on the introduction of the new Local Fund Act, the management of these schools will be seriously affected if they are not re-appointed now.

2. I have before me letters from the Head Master of the Angadipuram Rate School and the Tahsildar of Palghaut stating that the salaries of the masters have not been disbursed for the last two months owing to absence of any Commissioners. I am issuing instructions to incur the necessary charges from the balance of funds in hand of those schools, which, under Section 9 of the Act, has become the property of the Local Fund Board.

3. As Rule* L. requires that the bills for charges shall be signed by the President or two members of the Committee, it is urgent that these Committees should be appointed without delay.

* Circulated with G. O., 30th June 1871, No. 265.

No. 68. ORDER THEREON, 18th August 1871, No. 349.

With reference to Rule XII. of the Local Fund Rules the Government desire that the Local Fund Boards concerned may be consulted as to the appointment of Committees.

Proceedings of the Madras Government, Financial Department,
18*th August* 1871.

2. Meanwhile, the masters of the schools can be paid either from the balance of school-funds as proposed by the Acting Collector, or from general local funds, the necessary debit being made hereafter when the house-tax is collected, and the union funds definitely formed. The bills must be drawn by the Head Masters where Committees have not been appointed as is now done in Government Schools.
