Proceedings of the Madras Government, Financial Department,
19th August 1871.

No. 75. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, Fort St. George, dated Madras, 7th August 1871, No. 1957 :—

I have the honour to request that you will be good enough to obtain the sanction of Government for the transfer of a sum of Rupees 2,500 from the current year's maintenance grant, Rupees 34,896, for the Great Southern Road No. II. from Madras to Travancore frontier, in order to carry out some special repairs urgently required to the cross road between Mount and Poonamallee.

2. The condition of this cross road has of late so much deteriorated, owing to the heavy traffic passing over it, that I think it is well worth reconstructing it; but, as it is not likely that funds could be obtained for such thorough restoration, I have directed the Executive Engineer to put in order only the worst portions of the road. The amount, Rupees 2,500, now asked for is required in addition to its usual maintenance allowance Rupees 1,148.

3. The grant, Rupees 34,896, for the southern road has been distributed between Nos. 2, 3, and 4 Ranges in the proportion marginally noted, and the amount Rupees 2,500, proposed for transfer, can be taken away from the allotment of No. 2 or Mount range.

Mount Range.....	RS. 11,773
No. 3 or Poonamallee Range...	16,542
" 4 or Chingleput Range...	6,581
Total...	34,896
