No. 128. Read the following letter from the Acting Collector of Vizagapatam, to the Acting Chief Secretary to Government, Fort St. George, dated Vizagapatam, 21st July 1871, No. 694.

I have the honour to reply to G. O., dated 30th June 1871, No. 265.

2. Referring to paragraph 4, I beg to state that estimates called for in G. O., dated 7th June 1871, No. 216, were forwarded with my letters, Nos. 612, dated 27th June, and 676, dated 13th instant. I would, however, add that, as, except within the Municipalities, no tolls are levied any where in this district, no notification of transfer of such tolls is necessary.

3. With reference to paragraph 6, I beg to state that I am in communication with the Inspector of Schools, and will make the necessary provision for educational purposes in the Budget of 1871-72. Only two Rate Schools existed in this district, viz., those at Parvatipore and Gajapatinagaram. The three years expired at the commencement of this year, and, as the inhabitants of Parvatipore were unwilling to continue the school, it ceased to exist from the commencement of this year. That at Gajapatinagaram, under similar circumstances, was taken over by the Maharajah of Vizianagram.

4. Referring to paragraph 9, I beg to report that there are no Dispensaries, &c., to be transferred to the Local Fund Boards. A list of buildings to be transferred to the Municipalities was forwarded with my letter, No. 185, dated May 29th last. Since that date Messrs. Arbuthnot and Co., who have a Dispensary within the Municipality of Palcondah, have signified their consent to its transfer to the control of the Municipality. Due provision for this institution will be made in the Municipal Budget Estimates.

5. As regards the charges of vaccination, I am in communication with Dr. Shortt, Superintendent General of Vaccination, and will make the necessary provision in the Local Funds Budget for 1871-72 now under preparation.

No. 129. ORDER THEREON, 29th August 1871, No. 406.

The Vizagapatam Dispensary is to be transferred to the Municipality, and the local funds will be charged with a contribution for its support. The Acting Collector will accordingly comply, in respect of this institution, with the orders which have been issued.

2. The Government are of opinion that the local funds should also contribute to the Palcondah Dispensary.
