Proceedings of the Madras Government, Financial Department,
23rd January 1871.

No. 54. Read the following letter from the Assay Master, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 13th December 1870, No. 242 :—

I have the honour to forward the accompanying emergent indent for stores, and to request that His Excellency the Governor in Council may be pleased to move the Secretary of State for India to direct that they may be furnished with as little delay as possible, as the supply in store has been allowed to run very short.

2. The articles indented for, being of glass and bulky and heavy, are very fragile, and the men employed in the manufacture of acids, in which these articles are used, were new to the work and not sufficiently careful, and there were in consequence, unfortunately, numerous breakages. However, the men now are more *au fait*, and the breakages are rare.

No. 55. ORDER THEREON, 23rd January 1871, No. 42.

Ordered that a copy of this letter, with the indent received with it, be transmitted to the Secretary of State.
