No. 18. Read the following letter from J. FRASER, Esq., Collector of the Godavery District, to the Secretary to Government, Revenue Department, Fort St. George, dated Cocanada, 23rd August 1871, No. 14:—

I have the honour to inform you that I received, two days ago, the original of the enclosed letter from the Acting Inspector-General, Medical Department.

2. The Dispensaries referred to, being both within municipal limits, can only be dealt with under Section 27 of the Local Funds Act; but I would beg to draw the attention of Government to their Proceedings, dated 31st March 1871, No. 436, in which the contribution by the Municipalities of Rajahmundry and Cocanada is limited to Rupees 700 and 500, respectively. I would, therefore, request Government to inform me what contribution is expected from the Local Fund Boards in each case, as the Dispensaries undoubtedly do benefit the residents of the Circles in which they are situated.

From the Acting Inspector-General, Indian Medical Department, to the President of the Local Fund Committee, Godavery District, dated Fort St. George, 14th August 1871, No. 4234.

I have the honour, with reference to paragraph 20 of the Local Fund Rules, to bring to your notice that the charges for maintaining the several Dispensaries in your District during 1870 were as undernoted.

2. I have, therefore, the honour to request that you will, at your earliest convenience, be so good as to inform me what sum will be provided *from all sources* for their support *during the* current year.

No. 19. ORDER THEREON, 7th September 1871, No. 432.

The Collector is informed that the sums entered in the statement appended to G. O., 17th April 1871, No. 491, refer only to the charges in connexion with the Dispensaries hitherto borne by Government.

2. These charges for the Seaman's Hospital at Cocanada are to be debited to Port Funds.

3. The Dispensaries at Rajahmundry and Cocanada are to be transferred to the Municipalities, under Sections 15 and 16, Act III. of 1871, and the Local Funds are to contribute, under Section 27, Act IV. of 1871, not merely the sums specified in the Order of the 17th April as their shares of the charges therein dealt with, but also such further portion of the general charges as the Local Fund Boards, in communication with the Municipal Bodies, may agree to.

Proceedings of the Madras Government, Financial Department,
7th September 1871.

4. Mr. Fraser's attention is called to paragraph 24 of G. O., 9th May 1871, No. 619, and he will, without delay, comply with the instructions there given, in view to the formal transfer of the two Dispensaries to the Municipalities being completed as soon as possible.
