No. 63. Read the following Proceedings of the Board of Revenue, dated 7th July 1871, No. 2788 :—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 17th June 1871, No. 843 :—

With reference to paragraph 24 of the Proceedings of Government in the Public Department, dated the 9th May 1871, No. 619, I have the honour to submit, herewith, the lists therein called for, of the institutions to be transferred to the Municipal Commission of Mangalore and the Local Fund Board, respectively, under Sections 15 and 16 of Act III. of 1871, and Section 10 *et seq.*, of the Local Funds' Act.

2. It will be seen that the only institution, situated within the limits of the Municipality of Mangalore, and falling under Section 15 of Act III. of 1871, is the Civil Dispensary at Mangalore, the receipts and charges connected with which are shown in the list. There are no other institutions in the town of Mangalore to be handed over to the Municipality. I have omitted the Government Normal School from the list, as it does not appear to be the intention of Government that such schools should be made over to Local Fund Boards or Municipalities, who will only be required to pay a portion of their cost.

3. There are no institutions to be transferred to the Local Fund Board in this district.

4. The Order of Government of the 28th April last, No. 563, enunciating their views as to the measures to be adopted under the Acts for the promotion of elementary education, makes no allusion to the transfer to the Local Fund Boards of the existing taluq schools, and I presume, therefore, that they will be kept up, as at present, out of the Provincial grant.
