Proceedings of the Madras Government, Financial Department,
20th September 1871.

Read the following :—

No. 69. Despatch from the Right Honourable the Secretary of State for India, to His Excellency the Right Honourable the Governor-General of India in Council, dated India Office, London, 20th July 1871, No. 220 (Financial).

I have considered in Council your letter, dated 16th May 1871, No. 93, forwarding a memorial from Sheik Ibrahim, late a peon in the office of the Collector of Madura, appealing against the decision of the Government of Madras declining to grant him a compassionate allowance.

2. The applicant was reported to have served for above forty years as peon up to the year 1860, when he was thrown out of employ by the reductions of establishment which then took place. He was shortly afterwards entertained in the new Police, but, after five months and twenty-five days, was discharged as unfit for duty.

3. Having been thus re-employed after his first discharge in 1860, he was considered ineligible to the compassionate allowance granted to peons who had been thrown out of employ owing to the reduction above referred to, and the Madras Government state that, although he might, under the Order of 14th June 1864, have been granted a gratuity for his service as peon, he was disqualified for this also because he failed to apply before the 31st March 1868, the date fixed as the limit after which no claims arising out of the reductions of 1860 would be admitted.

4. I observe, however, that Sheik Ibrahim had petitioned the Madras Government for a pension in 1865; and, as the gratuity to which he was then clearly entitled might have been allowed to him at that time without any more specific application, I do not see any objection to its being now awarded, and I accordingly authorize the grant to him of a gratuity of the regulated amount in respect of the service rendered by him prior to his employment in the new Police.
