Proceedings of the Madras Government, Financial Department,
20th September 1871.

No. 77. Read the following letter from the President of the Local Fund Board, North Arcot, to the Chief Secretary to Government, Fort St. George, dated Chittoor, 5th September 1871, No. 21:—

As the Local Fund Budget for the ensuing official year has to be submitted to the Board of Revenue by the end of this month, I have the honour, with reference to paragraph 4 of the Order of Government dated 7th June last, No. 216, to request that you will be so good as to let me know what sum will be assigned to this district as a lump grant-in-aid allotment from Provincial Fund.

2. I, likewise, beg to be informed, with reference to Section 27 of the Local Fund Rules, what amount the Government propose to charge to the Local Fund of this district on account of the General Department, Public Works Establishments, for the ensuing official year.

No. 78. ORDER THEREON, 20th September 1871, No. 470.

Until the Local Fund Budgets for the current year are all received and passed, the Government will not be able to estimate satisfactorily the position of the Provincial Funds for 1871-72, and still less that for 1872-73.

2. They think, however, that the amounts of Provincial grants and of charges for Public Works Department, General Establishment, which have been fixed for the current year, may be assumed as a basis for the preparation of the Local Fund Budgets for 1872-73 also. Revision can be made, if necessary, after the submission of the budgets.

G. O., 7th June 1871, No. 216.

3. The Presidents of the Local Fund Boards will intimate to the Local Fund Boards that they should proceed accordingly to frame their Budgets for 1872-73 without delay.
