*Proceedings of the Madras Government, Financial Department,*  
22nd September 1871.

No. 85. Read the following Proceedings of the Board of Revenue, dated 7th September 1871 :—

Read the following letter from the President of the Local Fund Board, Chingleput District, to the Secretary to the Board of Revenue, dated Sydapet, 22nd August 1871, No. 395 :—

In the Budgets for the current year, forwarded with my letter, No. 393, of this day, provision is made for the establishment as per margin for which I have the honour to request you will obtain the sanction of Government.

2. Before the formation of the District into Circles there was one Clerk in the Collector's Office in charge of Local Fund Accounts on a salary of Rupees 35 per mensem. This pay being incommensurate to the work he has now to

perform, the preparation and consolidation of the accounts of both Circles, &c., it has been raised to Rupees 50; he will be employed in the Collector's Office, and his pay debited to both Circles equally. Considering the work he has now to perform, I trust this small increase of Rupees 15 will not be considered unreasonable.

3. In each Circle one Clerk only has been appointed on a salary of Rupees 25 to perform the current work of each Board; these appointments are, I think, indispensable. This Clerk in the Sydapet Circle Board is intended also to assist the one on Rupees 50, as the duties devolving upon the latter are more than one man could possibly undertake. Further, as it frequently happens that papers are required to be taken in circulation to the different Members of the Board, the services of a peon are also necessary, one for each Circle.

4. The whole of the accounts and correspondence connected with the Local Fund Boards are under the general superintendence of the English Head Clerk, and he has further attended all meetings and taken notes of the proceedings and resolutions; it would have been difficult to find any one else so well fitted for this work, and the Sydapet Board have unanimously proposed to grant him a special allowance of Rupees 30 per mensem, which I recommend may be sanctioned.

Submitted for the orders of Government.

2. The Board of Revenue support the President's application for the Local Fund Establishment with the exception of the special remuneration proposed to be given to the Huzoor English Head Clerk.

3. According to the new Local Fund Rules, the accounts of the Local Fund Boards should be kept by the Treasury Officer at Sydapet, and the Local Fund

Clerk already sanctioned\* should remain attached to his Department for the purpose.

\* Board's Proceedings, 5th June 1868, No. 4166.

*Proceedings of the Madras Government, Financial Department,  
22nd September 1871.*

4. The correspondence connected with the Local Fund Boards should be conducted by the President with the aid of the Clerks now applied for, and of those of the Collector's establishment, whenever the work is heavy.

*Fide G. O., P. D., dated 10th August 1871, No. 1220.*

5. The necessity for the Head Clerk's presence at the Local Fund Boards' meetings and for his taking notes of their proceedings and resolutions is not apparent.
