No. 108. Read the following Proceedings of the Board of Revenue, dated 20th September 1871 :—

Read the following papers :—

From J. D. ROBINSON, Esq., Collector and President of the Local Fund Board, North Arcot, to the Acting Secretary to the Board of Revenue, dated Chittoor, 7th September 1871, No. 443.

With reference to Sections VI. and LXVI. of the Local Fund Rules, I have the honour to request that Government may be moved to sanction the immediate entertainment of the establishment specified in the margin in the Collector's and Chittoor Local Fund Board's Offices. The cost of the establishment as distributed over both offices will be Rupees 221 per mensem. The nature of the work which will devolve on each of the Clerks and Accountants whom it is proposed to entertain is detailed in a separate list marked A.

2. The list was laid before the Local Fund Board of this Circle at the last meeting, and, after being fully discussed, was adopted as describing the most economical arrangement which could be made for the discharge of the multifarious duties connected with the administration of local funds in both offices.

3. There is already a small establishment in the Collector's Office paid from local funds, the cost of which, if deducted, reduces the charges of the additional agency now asked for to Rupees 174 a month. A separate* list, showing the existing establishment and the distribution of work, is likewise enclosed.

* Marked B.

4. I beg that I may be favoured with early orders on this application, as already the additional work thrown on my office by the creation of these Boards is very considerable, and is seriously affecting the punctuality and despatch of business in the Account and other Departments.

From J. D. ROBINSON, Esq., President of the North Arcot Local Fund Board, to the Acting Secretary to the Board of Revenue, dated Chittoor, 9th September 1871, No. 25.

The Vice-President of the Local Fund Board of the Vellore Circle has in his letter of the 4th instant, No. 5, intimated to me that the members of that Board have proposed the entertainment, for the present, of a Clerk on Rupees 30 and an Attender on Rupees 7 per mensem, to perform the duties connected with the administration of the Local Funds of that Circle.

2. I have, therefore, the honour to request that you will be so good as to obtain the sanction of Government for the entertainment of the establishment as above particularized.

In the first of the foregoing letters, the President requests sanction for the immediate entertainment of the establishments marginally noted. The first of the two is to absorb the present Local Fund Establishment (costing Rupees 47* a month) attached to the Collector's Office under the sanction conveyed in Board's Proceedings, dated 4th June 1869, No. 3980.

2. In the second letter, Mr. Robinson recommends that a Clerk on Rupees 30 and an Attender on Rupees 7 per mensem, making together Rupees 37, be sanctioned for the Vellore Circle Local Fund Board's Office.

3. The Board of Revenue consider the first establishment somewhat excessive, and it is not in accordance with the views of Government expressed in their Order of the 10th August 1871, No. 1220.

4. According to the new Local Fund Rules, the accounts of the local fund Boards are to be kept by the Treasury Deputy Collector, and the establishment already allowed, at a cost of Rupees 47 per month, ought to be sufficient for the purpose.

5. Registers of estimates, &c., and correspondence connected with Local Funds are to be kept by Collectors as Presidents of local fund Boards. The Board of Revenue recommend Government to sanction the following establishment:—
