No. 122. Read the following Proceedings of the Board of Revenue, dated 5th September 1871, No. 3806 :—

Read again letter from the Collector of Kurnool, dated 3rd July 1871, No. 224, recorded in Board's Proceedings, dated 15th July 1871, No. 2957.

Read also the following letter from the President of the Local Fund Board, Kurnool, to the Acting Secretary to the Board of Revenue, dated 17th August 1871, No. 10 :—

With reference to the Board's Proceedings, No. 2957, of 15th July 1871, I have the honour to forward the plans and estimates relating to the construction of road from Tadicherla to Cuddapah frontier which have been approved of by the Local Fund Board. As no funds are provided for this work in the current year's budget, the Board propose that Rupees 5,000 be transferred to it for the current year from the 30,000 Rupees provided for crossings over the canal, the estimates of which have not yet been received.—*Vide* Item No. 5 of the Revised Budget for 1871-72.

Enclosures Nos. 1 to 14.—Plans.

Enclosures Nos. 15 to 18.—Estimates.

The plans and estimate, amounting to Rupees 35,430, for the construction of a road from Tadicherla to the Cuddapah frontier (length 14 miles, 1,497 yards), are submitted for the sanction of Government.

2. The estimate is made up of the following items :—

	Rs.
1. Earth-work	1,649
2. Metalling	9,828
3. Gravelling	4,850
4. Tamping	2,910
5. Masonry works	12,970
6. Mile-stones	70
7. Compensation for land...	1,239
8. Sundries and superintendence	1,914
Total....	35,430

3. The object of the line " is to open up a good road to facilitate traffic from " the villages about the part of the country through which the line is taken towards " the Railway Station at Cuddapah."

4. It will be observed that for years there has been money spent on the repairs of the old road of which no trace can be found except here and there.

5. There is a sum of Rupees 1,600 entered in Part II. of the current year's budget for the up-keep of the old line. As funds for the present work have not been provided in the current year's budget, the President of the Local Fund Board proposes that a sum of Rupees 5,000 be transferred for expenditure from the allotment of Rupees 30,000 for crossings over the canal in the current year's revised Road Fund Budget which is now before Government.

Proceedings of the Madras Government, Financial Department,
29th September 1871.

6. On the receipt of the sanction of Government to the estimate the Board will authorize the transfer of funds applied for.

No. 123. ORDER THEREON, 29th September 1871, No. 502.

The estimate is sanctioned.

2. The utility of the project would appear to depend on the completeness of the communication between the point reached on the Cuddapah frontier and the Railway. No information is given on this point.
