No. 3. Read the following Proceedings of the Board of Revenue, dated 30th August 1871:—

Read the following letter from the Acting Collector of Madura, to the Acting Secretary to the Board of Revenue, dated Madura, 9th August 1871, No. 233:—

Under Rule VI. of the Local Fund Rules, I have the honour to request that the sanction of Government may be obtained for the entertainment of two clerks for Local Fund work in this office. The 1st Clerk, I propose, should receive Rupees 70, and the 2nd, Rupees 20.

2. At present, the Collector has one Local Fund Clerk, and an Accountant is borrowed to assist him. As the Local Fund Rules increase the work in the Treasury Deputy Collector's Department, an Accountant can no longer be spared, and I think this establishment is the smallest that can be proposed to do the work of the President's Office in this district.

3. Each Local Fund Board will have a small separate establishment under Section 24 of the Act; but, from the list I have made of the things to be done by the President, I think the work in his office will be much heavier than in the offices of either of the Local Fund Boards.

In the foregoing letter, the Acting Collector requests sanction for the entertainment of two clerks in his office, one on Rupees 70 and the other on Rupees 20, and remarks that each Local Fund Board will have a small separate establishment under Section 24 of the Act.

2. The Board observe that, under the new rules, only the accounts of Local Fund receipts and expenditure are to be kept by the Treasury Deputy Collector, and that the clerk on 50 Rupees already sanctioned* ought to be able to do the work.

* Board's Procs., dated 20th Nov. 1868, No. 8205-A.

3. Registers and correspondence connected with Local Funds are to be kept by Collectors as Presidents of the Local Fund Boards. As the district is divided into two† Circles, the Board are of opinion that a clerk on Rupees 30 and an attender on Rupees 7 for the first Circle, and another on Rupees 25 and an attender on Rupees 7 for the second Circle, will be sufficient for the present, and, accordingly, recommend Government to sanction this establishment.
