No. 22. Read the following Proceedings of the Board of Revenue, dated 21st September 1871, No. 4056 :—

Read the following letter from the President of the Municipal Commission, Conjeveram, to the Secretary to the Board of Revenue, dated Ennore, 30th August 1871, No. 404 :—

Adverting to paragraph 24 of the Order of Government, dated the 9th May last, No. 619, I have the honour to report that the only institution at Conjeveram which has to be transferred to the Municipality is the Dispensary at that station, for which I beg to enclose a statement of the estimated receipts and charges prepared with reference to details furnished by the Native Surgeon.

ENCLOSURE No. 1.—Statement.

Submitted to Government with reference to the Order quoted by the President.

2. It is observed that in their Order, dated 26th July 1870, No. 924, Government authorized the appropriation of the sum of Rupees 5,000, raised by private subscriptions, towards the erection of a Dispensary at Conjeveram, and directed that an allotment of an equivalent sum should be made in the current year's Public Works Budget for the completion of the building. The budget in question does not contain the provision; but the grant is sanctioned from Provincial Funds in Government Order, Public Works Department, dated 7th July 1871, No. 1803.

Acting Secretary.

To the Chief Secretary to Government, Fort St. George, with one original statement.

No. 23. ORDER THEREON, 4th October 1871, No. 521.

The pay of Medical Subordinates, &c., provided for in the budget of medical charges was Rupees 2,788, and the probable cost of medicines Rupees 268-14-0—total Rupees 3,056-14-0 (G. O., 17th April 1871, No. 491). The Government, therefore, do not understand the entry in the statement showing Rupees 1,865 as the receipts from Government

2. The total charges, however, appear correctly estimated at Rupees 3,878-1-5, and the municipal contribution, together with the revised allotment inserted by Government in the budget of the Chingleput Local Fund, will about suffice to meet them.

3. The Collector is authorized to notify in the District Gazette that it is the intention of Government to declare the institution to be vested in the Municipal Commissioners, and will report the date of the publication of his notice.
