No. 26. Read the following Proceedings of the Board of Revenue, dated 22nd September 1871 :—

Read again letter from the Collector of Kurnool, dated 17th June 1871, No. 207, recorded in Board's Proceedings, dated 20th July 1871, No. 3021.

Read also the following letter from the Collector of Kurnool, to the Secretary to the Board of Revenue, dated Kurnool, 31st August 1871, No. 279.

In reply to Board's Proceedings, No. 3021, dated 20th July 1871, I have the honour to forward revised lists of the institutions to be transferred to the Local Funds Board and Municipal Commissions of Kurnool and Cumbum according to the forms received from the Board.

—

Of the four lists received with the second of the letters recorded above two only call for notice, the remaining two being blank.

2. The list of choultries is submitted to Government with reference to paragraph 24 of their Order, dated 9th May 1871, No. 619. These choultries, which have lately been built on the Nundikanama Ghaut out of the Road Fund of the District, are used as halting places by travellers. An allotment of Rupees 50 is provided in the current year's Budget Statement IV. A., for charges on account of establishment attached to these places.—*Vide* paragraph 6 of Government Order, Financial Department, dated 4th September 1871, No. 426.

3. As regards the Dispensaries it is not clear whether any public buildings are attached to them. The Collector is requested to afford information on this point. It is observed from the statement appended to Government Order, Public Department, dated 17th April 1871, No. 491, that the total charge against Provincial Services on account of the Kurnool Dispensary is Rupees 1,668, of which Rupees 500 are to be debited to the Municipality and the remainder Rupees 1,168 to the Local Funds of the district. From the list of the Dispensaries now before the Board, it is observed that the Kurnool Dispensary gets a monthly income of Rupees 598, partly from subscriptions and partly from interest on Government promissory notes and on the amount lodged in the Savings' Bank. The Collector will state whether, under these circumstances, the Local Funds should contribute so much as Rupees 1,168 towards the maintenance of the Dispensary.
