Proceedings of the Madras Government, Financial Department,
10th October 1871.

No. 47. Read the following Proceedings of the Board of Revenue, dated 6th October 1871:—

Read Endorsement of the Secretary to Government, Revenue Department, dated 29th September 1871, No. 175, on an Official Memorandum from the Chief Secretary to Government, Financial Department, dated 29th September 1871, No. 268.

The Board have received as yet the Budget Estimates only from the Districts noted in the margin for the sundry Local Funds; and, as it will probably be some time before they receive the other District Budgets, they beg to suggest that an order may be issued directing the Presidents of the Local Fund Boards to include, in their Road Fund Budget Estimates for 1872-73, the proceeds of the several miscellaneous sources of income, including the Surplus Pound Fund and Ferry rents.
