10th August 1871.

Sir,

I have the honor to enclose a Last Pay Certificate and Extract from Proceedings of the Madras Government, from which it will be seen that I am in Europe on 3 months' Privilege Leave, and that my Leave expires on the evening of the 15th instant. I left India for my health and proceeded under Medical advice to the South of Europe. As a 6 weeks' stay there has not succeeded in restoring my health, I have now come on to England, and have to request that I may be favoured with an extension of Leave, with Commutation, under

The Under Secretary

of State for India

Lecture

section VIIIa of the Covenanted Civil Service Leave code.

I appeared this day before a Medical Board at the India Office.

I request that my attestation at the back of Last Pay Certificate may be taken in place of the Captain's Certificate. The Captain of the ship in which I sailed from India is out in England. I left India in great haste on account of my health, and was not able to get my Last Pay Certificate previous to starting. It was forwarded after me to Europe.

I have &c

Sir,

I am directed by the Secretary of State for India in Council to acknowledge the receipt of your letter of the 10th Inst. and to acquaint you in reply that the Medical Board at this Office having recommended the grant to you of an extension of leave for four months your privilege leave has been converted into furlough on Medical Certificate for seven months, but as you have failed to apply in sufficient time to admit of the necessary advice of this extension being received by the Government of Madras before the expiration of your Original leave, it must rest with that Govt to decide as to permitting you to retain your appointment.
