No. 63. Read the following Proceedings of the Board of Revenue, dated 2nd October 1871:—

Read the following letter from the Officiating President of the Local Fund Boards, Godavery District, to the Acting Secretary to the Board of Revenue, Madras, dated Cocanada, 7th September 1871, No. 4:—

I have the honour to bring to your notice that the Local Fund Board of the Rajahmundry Circle have, at the recommendation of the Superintending Engineer of the 1st Division, resolved to request the sanction of the Board of Revenue for payment of Rupees 120 per annum to No. 6 Range Head Accountant in promotion from third to second class.

Submitted for the orders of Government.

2. According to the classification observed in the Public Works Department, the 6th Range of the Godavery District is enrolled as a third-class Range, in which the salary of the Head Accountant is Rupees 40 a month. At the recommendation of the Superintending Engineer, the Local Fund Board propose to give the Accountant an allowance of Rupees 10 from local funds so that his salary may be raised to Rupees 50, the rate drawn by Head Accountants in second-class Ranges.

3. The circumstances under which the additional allowance is considered necessary from local funds are not explained. The local funds are required to contribute a very large sum towards meeting the cost of the Public Works Department, General Establishment, of which the Range Establishments form a portion.

4. If the 6th Range is to be styled a second class one, it is for the Superintending Engineer to propose the arrangement for the orders of Government in the Public Works Department.

5. The Collector's attention is drawn to the singular inaccuracy of the docket of his letter.
