No. 119. Read the following letter from the Inspector-General of Registration, to the Chief Secretary to Government, Fort St. George, dated Russelkondah, 30th September 1871, No. 129:—

I have the honour to submit the following remarks with reference to certain items in the accompanying Budget Estimate for 1872-73.

2. Buildings.—Provision has been made for the rent of buildings for my own Office and that of the Registrar of Madras, with reference to the Government Order, No. 920, of the 8th July 1871, and also for that of the Registrar of Vizagapatam, with reference to the Government Order, No. 772, of the 9th June 1871. The erection of buildings for the Department both at Madras and in the Mofussil has been approved by Government, and it seems very desirable that some portion of the large surplus, which is now annually accruing, should be devoted to this purpose. I am uncertain whether this item should appear in the Budget Estimate of the Public Works Department or of this Department; but if the latter, Rupees 20,000 seems to me not more than a reasonable sum to be set aside annually for this purpose.

3. Furniture.—The sum of Rupees 2,000 is about sufficient to supply thirty-three tin-lined almirahs; but, as there are upwards of three hundred offices, this amount is not sufficient to meet the demands of the Department. I consider that at least Rupees 4,000 will be required this year. The country locks with which the mofussil almirahs are fitted are, in many instances, almost useless. Some years ago I obtained permission to get a supply of Chubb's locks out from England, and I strongly recommend that a further supply be sanctioned at a cost of Rupees 2,000.

No. 120. Order thereon, 24th October 1871, No. 603.

The Budget Estimate of receipts and charges for the Registration Department for 1872-73 shows that the probable receipts will amount to Rupees 3,20,000, and the charges to Rupees 2,61,645.

2. The probable receipts* fall short of the estimate† for 1871-72 by Rupees 34,000, owing to allowance having been made for the introduction of a reduced table of fees from the 1st April 1872. They, however, exceed the actuals for 1870-71 by Rupees 37,575.

* Rupees 3,20,000.
† „ 3,54,000.

3. The charges exceed the actuals for 1870-71 by Rupees 52,500, and the estimate for the current year by Rupees 15,400. Taking the charges as classified in the estimate, it appears that under "Office of Inspector-General of Registration" there is a decrease in the estimate for 1872-73, as compared with that of 1871-72, of Rupees 1,507; under "Office of Registrar of Madras" an increase of Rupees 1,231; under "Offices of Mofussil Registrars" an increase of Rupees 588; under "Commission" a decrease of Rupees 9,490; under "Miscellaneous" an increase of Rupees 25,900, and under "Estimated value of articles supplied without cash payment" a decrease of Rupees 12,412.

4. The decrease under the first, and the increase under the second, head above adverted to are, it is observed, in conformity with the proposals approved of in G. O., dated the 8th July last, No. 920. The increase under the third head is due partly to an increase in the pay of the Mofussil Registrars, and partly to an addition of Rupees 168 for house-rent for the Registrar of Vizagapatam.

5. The decrease in the charge under "Commission" is explained by the anticipated diminution in the receipts consequent on a reduction in the scale of fees.

6. Of the increase of Rupees 25,900 under "Miscellaneous," Rupees 20,000 are on account of buildings, as explained in paragraph 2 of the Inspector-General's letter. Rupees 4,000 are for almirahs and for Chubb's locks, as explained in paragraph 3, and Rupees 1,900 on account of increases under the head of "Travelling allowance and binding and packing of registers."

7. The charge for the construction of new buildings for the Offices of the Inspector-General of Registration, and for Registrars up-country, will, as do all other charges on account of Civil Buildings, appear in the Budget Estimate of the Public Works Department, and is accordingly expunged from that of the Registration Department. The increases under the other items are passed.

8. Of the sum of Rupees 6,013 under the last head, Rupees 5,460, being for printing work done at the Government Press, will be removed from the estimate.

9. The probable receipts and charges specified below are passed for inclusion in the General Provincial Services Budget for 1872-73, viz.:—

	Rs.
Receipts	3,20,000
Charges—	
Office of Inspector-General of Registration	22,624

Proceedings of the Madras Government

Read the following letter from the Inspector General of Registration, dy 30th Septr. 1871, No 129.

Order thereon. Ordered. 24 Octr. 1871. No 603.

The Budget Estimate of Receipts and charges of the Registration Department for 1872-73 shows that the probable receipts will amount to Rs 3,20,000 and the charges to Rs 2,61,645.

2. The probable receipts fall short of the estimate for 1871-72 by Rs 34,000 owing to allowance having been made for the introduction of a reduced tab

of

+ Rs 3,20,000
× Rs 3,54,000

by in the Estimate for this? Was this allowed?

of fees from the 1st April 1872. They however exceed the actuals for 1870-71 by Rs 37,575.

3. The charges exceed the actuals for 1870-71 by Rs 52,500, and the estimate for the current year by Rs 15,400. In making the charges as classified in the estimate, it appears that under "Office of Inspector General of Registration" there is a decrease in the estimate for 1872-73, as compared with that of 1871-72, of Rs 1,507: under "Office of Registrar of Madras, an increase of Rs 1,231: under "Office

of Inspector Registrar" an increase of Rs 588: under "Commission" a decrease of Rs 9490: under "Miscellaneous" an increase of Rs 25,900, and under "estimated value of articles supplied without cash payment" a decrease of Rs 12,412.

4. The decrease under the first, and increase under the second head above adverted to, are, it is observed, in conformity with the proposals approved of in G.O dated the 8. July last, N.° 920. The increase under the 3rd head is due partly to an increase in the pay

pay of the Inspector
party
Registrars and to an
addition of Rs 168 for
House Rent for the
Registrar of Vizagapa-
tam.

5. The decrease in the
charge under Commissions
is explained by antici-
pated diminution in
the receipts consequent
on a reduction in the
scale of fees.

6. Of the increase of
Rs 25,900 under Mis-
cellaneous, Rs 20,000
are on account of Build-
ings as explained in
paragraph 2 of the In-
spector General's letter.

Rupees

Rupees 4,900 are for
Almirahs and for Shubbs
locks as explained in
paragraph 3, and Rs
1,900 on account of in-
creases under the head
of Travelling allowance
and Binding & packing
of Registers.

7. The charge for the
Construction of new
buildings for the offi-
ces of the Inspector
General of Registration,
and for Registrars
of Country, will, as
do all other charges
on account of Civil
Buildings, appear in
the Budget Estimate

of

of the P.W. Department, and is accordingly expunged from that of the Registration Department. The increases under the other items are passed.

8. Of the sum of Rs 6,013 under the last head, Rs 5460, being for printing work done at the Govt Press, will be removed from the estimate.

9. The probable receipts and charges specified below are passed for inclusion in the General Provincial Services
