The money placed from Provincial funds at the credit of the Public works Department in G.O. 29th Sept. 1871 No. 495, Financial is simply an addition to the Provincial assignment for "Communications;" and should, apparently be credited by the Controller of P.W. Accounts to the "Road fund" constituted under para 3 of G.O. P.W.D. 3rd June 1871 No 1511.

2. The order in this department was merely an instruction to the Accountant General as to the source from which the sum was to be placed at the credit of the P.W.D. ~~audit is for that department to instruct the Controller as to the mode in which he should deal with it, and to declare whether the course above suggested is in accordance with the intention with which the "Road Fund" was constituted~~
