Proceedings of the Madras Government, Financial Department,
28th October 1871.

Read the following papers :—

No. 139. Proceedings of the Board of Revenue, dated 5th October 1871.

Read Government Order, Financial Department, dated 20th September 1871, No. 465.

With reference to paragraph 2 of the foregoing Order, the Board are of opinion that the Controller of Public Works Accounts might be instructed to undertake the audit of the Local Fund Public Works expenditure by Civil Officers from 1st December 1871, and to make the necessary arrangements accordingly.

2. As regards the audit of the Endowment Funds, the Board think that it had better remain in their hands until the close of the current official year, by which time all the arrangements connected with the transfers of choultries to the Local and Municipal bodies will be completed.

3. The Board will, as directed by Government, call upon the Collectors to expedite the formal transfer of the endowments, &c., to the Local and Municipal bodies.

4. The Board take this opportunity to remind Government that the new forms of accounts, mentioned in their Order dated 30th June 1871, No. 265, have not as yet been settled, and to state that they continue getting the monthly Local Fund Accounts in the old form, which does not provide for the exhibition of charges on account of Education, Sanitation, and Medical Services.
