Read—

Resolution of the Public Works Department, No. 561-A.—G., dated the 31st August 1871, regarding a proposal for the disposal of receipts from Provincial Public Works.

RESOLUTION.—The Governor-General in Council observes that, in determining the allotment to be granted from Imperial funds for Provincial Services, the receipts from the several civil heads of service concerned were deducted from the gross amounts to be allowed, and the balance was transferred to the Provincial Governments and Administrations, the receipts being given over to the Provinces in which they accrued. But in the case of the Provincial Public Works grant, the gross amount of that grant was given so that the Provincial Public Works receipts have to be credited to Imperial revenues.

2. As this is not desirable, the Governor-General in Council is pleased to resolve that those receipts shall be transferred to Provincial Services by a corresponding reduction of the Public Works grant to those services, the basis of the reduction being the *actual* figures of 1870-71, and not, as proposed by the Public Works Department, the estimates of 1871-72.

3. This Order does not apply to the receipts from the Bombay Special Fund Works, which should not be credited to Provincial Funds.

ORDER.—Ordered that the foregoing Resolution be communicated to the Public Works Department, the several local Governments and Administrations, the Comptroller-General, and the several Accountants-General, and Deputy Accountants-General in independent charge.

Asst. Secy. to the Govt. of India.
