No. 14. Read the following Proceedings of the Board of Revenue, dated 1st November 1871, No. 4576.

Read the following letter from G. VANSAGNEW, Esq., President of the Local Fund Board, Nellore, to the Acting Secretary to the Board of Revenue, dated Nellore, 21st September 1871, No. 21:—

I HAVE the honour to submit a Supplemental Budget for certain works sanctioned for execution in the current year at a meeting of the Local Fund Board held on the 12th instant.

2. It will be observed that towards the completion of the Great Northern Road a sum of Rupees 15,000 has been provided, part of which will be devoted to commencing the completion of the Kalinganadi Bridge, which it is intended to finish next year, ample provision having been made for the purpose in the Budget for 1872-73.

3. Separate communications have been already addressed to the Board in reference to the works of a petty nature included in the list now sent. Three of them, costing in the aggregate Rupees 435, are chargeable to the General Fund. They are entered in the Detailed List of Petty New Works as Items 4, 5, and 6.

4. The appropriations proposed under the head of Repairs require some explanation. The officer in charge of the Nellore Range having reported that the present allotments on account of the maintenance of the roads under his charge are altogether inadequate, asked for increased allowances aggregating the sum of Rupees 13,140 in place of the present total of Rupees 8,010. The Local Fund Board agreed to the reasonableness of the Range Officer's request, and the inclusion of the sum of Rupees 5,130 under repairs has accordingly resulted. This sum, including, as it does, some items exceeding the maximum amount sanctionable by the Local Fund Board, the Range Officer's estimate is enclosed, and the Board's sanction is requested to the items exceeding Rupees 1,000.

5. The total amount of supplemental appropriations now proposed comes to Rupees 22,402, of which sum Rupees 21,967 are chargeable to the road, and Rupees 435 to the General Fund; while, under a different classification, the sum of Rupees 17,272 falls under head of "New Works," and 5,130 under that of "Repairs."

Proceedings of the Madras Government, Financial Department,
18th November 1871.

ENCLOSURE No. 5.—Revised Budget Estimate.

WITH the foregoing letter, the President submits, for sanction, a Supplemental Local Fund Budget for the current official year.

2. Part I. contains two items with an aggregate allotment of Rupees 17,270. The first item, Rupees 15,000, is for completing a portion of the Great Northern Road lying in the district. The Board of Revenue have already entered the work with an allotment of Rupees 40,000 in Part I. of the current year's Revised Road Fund Budget, sanctioned in Government Order, Financial Department, dated 6th October 1871, No. 530, and have therefore struck out the present provision.

3. The second item is Petty New works with an assignment of Rupees 2,270, and the particulars thereof are given in the Appendix.

4. The Appendix contains seven items, of which Nos. 1 to 3 and 7 appertain to the Road Fund and the remainder to the General Local Funds. The latter items have been separated and shown under "Sanitary and Miscellaneous."

5. The Board of Revenue have struck out the second item with an allotment of Rupees 600, as the President in his letter of the 17th October 1871, No. 34, reported that the provision was not necessary.

Preliminary survey of proposed road from Rapur to Venkatagherry.

6. Part II. contains five items with a total allotment of Rupees 13,140. These works appear in the current year's sanctioned Revised Budget with insufficient allotments aggregating Rupees 8,010. The present proposals involve an increased expenditure of Rupees 5,130.

7. The sums now admitted amount to Rupees 6,800, of which Rupees 6,370 are chargeable to the Road Fund and the remainder, Rupees 430, to the General Local Funds. The Accountant-General is accordingly requested to place the sum of Rupees 6,800 at the disposal of the Public Works Department.
