Proceedings of the Madras Government, Financial Department,
20th November 1871.

No. 16. Read the following letter from the Sanitary Commissioner for Madras, to the Chief Secretary to Government, Fort St. George, dated Cannanore, 2nd November 1871, C. No. 73 :—

I have the honour with reference to Proceedings of Government, as per margin, to respectfully solicit a reconsideration of the item of "travelling allowance" in my Budget Estimate for 1872-73.

No. 574, dated 18th October 1871.

2. The actual expenditure on this account in 1870-71 was small; but for the current year, having still a long tour in the Northern Division before me, I anticipate that the whole grant of Rupees 2,500 will be absorbed by the end of the current official year.

3. For the official year 1872-73, I wish to complete, so far as possible, a visitation of the chief municipal towns and districts as yet unvisited, and the military stations in British Burmah, and with this view, entered the travelling allowance at the same figure as in the current year; and, so far as I can judge, the amount is not larger than is likely to be expended during the period in question.

4. Under these circumstances, I venture to request that the amount of Rupees 2,500, for travelling allowance in 1872-73, may be allowed to stand in the estimate of my Department.

No. 17. ORDER THEREON, 20th November 1871, No. 650.

Under the circumstances explained by the Sanitary Commissioner in the foregoing letter, His Excellency the Governor in Council sanctions the addition of Rupees 500 on account of travelling allowance under "Contingent charges" in the Budget Estimate of charges of that Officer for 1872-73.

2. The estimate will be fixed at Rupees 33,468.
