No. 24. ORDER THEREON, 20th November 1871, No. 653.

The Government authorize the Collector to publish in the District Gazette the draft notifications submitted by him, the second being inserted one month after the first.

2. In their remarks in paragraph 3 of their Proceedings, 22nd September 1871, the Board of Revenue seem to be under a misapprehension. The statement furnished by the Collector does not include the charges heretofore borne by Government and alone entered in G. O.,

	Gross charges as per Dist. pensary for.	Of which met from ordinary receipts.	Balance to be shared by Local and Municipal Funds.

17th April 1871. The figures in the margin prove that Rupees 1,168 is an insufficient contribution from Local Funds for the Kurnool Dispensary. In addition to this a portion of the general charges should be borne by Local Funds. Rupees 1,600 would probably represent the benefit derived by the rural districts from the institution.
