No. 35. Read the following letter from the Acting Commissioner of Paper Currency, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 28th October 1871, No. 648:—

With reference to paragraph 4 of the Proceedings of Government, Financial Department, No. 588, of 20th instant, I have the honour to inform you that the two items of Rupees 500 each for printing under the head "Contingencies" for the Head Office and its Branches are for work to be done at the Government Press, so that Rupees 1,000 may be removed from the estimate.

2. Referring to paragraph 3 of the Order, I beg to state, for the information of Government, that, since the submission of the Budget Estimate to Government, the Comptroller-General has written to say that the Bank's commission on sale and purchase of Government Securities need not be entered in my estimate as the whole amount will be estimated in his office and subdivided according to distribution of any stock that may be purchased. Rupees 4,000 can, therefore, be removed from the estimate, which will thus be reduced to Rupees 36,272.

No. 36. ORDER THEREON, 21st November 1871, No. 671.

Under the explanation afforded in the foregoing letter, the Government direct that the charge (Rupees 500) for printing in connexion with the Circles of Issue at Calicut, Trichinopoly, and Vizagapatam, and that (Rupees 4,000) for "Bank's commission on sale and purchase of Government securities," be removed from the Budget Estimate of Charges for the Paper Currency Department for 1872-73.

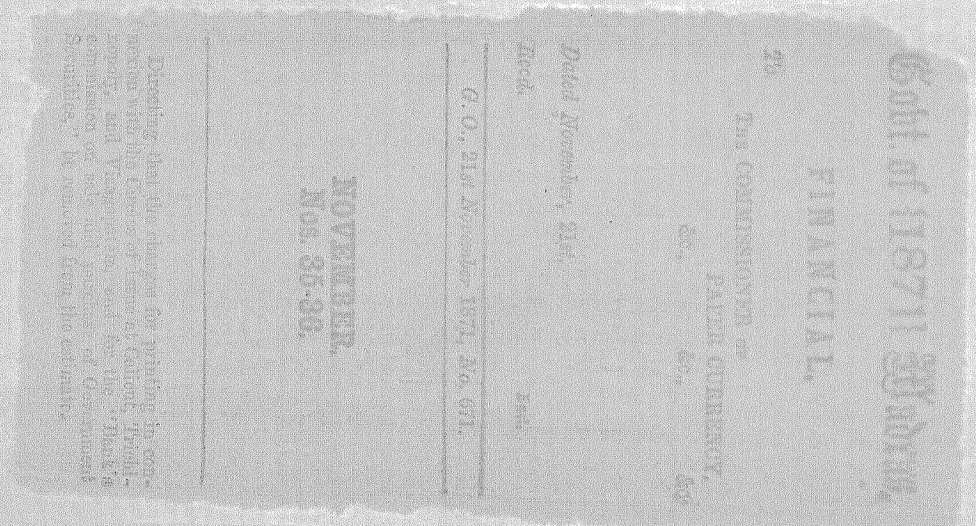

2. The estimate will be fixed at Rupees 36,272.
