Proceedings of the Madras Government, Financial Department,
21st November 1871.

No. 39. Read the following Proceedings of the Board of Revenue, dated 27th October 1871, No. 4517:—

Read the following letter from the Officiating President of the Local Fund Boards, Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 12th September 1871, No. 7:—

I have the honour to submit, herewith, the Superintending Engineer's letter, No. 1696, dated 26th August 1871, accompanied by a comparative statement, showing the differences between the original and revised estimates for constructing an iron girder bridge over Mundepeta Canal on the road from Thapeswaram to Alamur, and request that the Board of Revenue will be pleased to sanction the excess, viz., Rupees 1,370, from the savings reported in my letter, No. 6, dated 11th instant.

2. The Local Fund Board of the Cocanada Circle have approved of the revised estimate.

The comparative statement, received with the foregoing letter, showing the difference of Rupees 1,370 between the amount of the original and revised estimates for the construction of an iron girder bridge over the Mundepeta Canal on the road from Thapeswaram to Alamur, is sanctioned.

2. The estimated cost of the road including the bridges is Rupees 18,610, as will be seen from the Board's Proceedings embodied in the Government Order, Revenue Department, dated 31st August 1869, No. 2461. With the sum now sanctioned the total cost of the line will be Rupees 19,980.

3. As the current year's revised Road Fund Budget of the Cocanada Circle is now before the Board of Revenue, the allotment in it for the work under reference will be raised by Rupees 1,370.
