Proceedings of the Madras Government, Financial Department,
24th November 1871.

Read the following papers:—

No. 55. From the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, Fort St. George, dated Dowlaishweram, 2nd October 1871, No. 2042.

One copy of letter, No. 5341, dated 13th Sept. 1871.

In forwarding, herewith, for the orders of Government, copy of a letter received from the Master Attendant, Madras, I have the honour to inform you that Government have in Order, No. 339, dated 4th February 1871, sanctioned an estimate, amounting to Rupees 3,000, for the road therein alluded to.

2. Of this estimated amount, Rupees 848 were spent up to last official year, an allotment of Rupees 1,500 having been made for the work in the year 1870-71.

3. The sum now required to complete the road is Rupees 2,152,* whereas the amount available for the purpose is only Rupees 652.

* Balance of sanctioned estimated amount.

From the Deputy Master Attendant in charge, Madras, to the Superintending Engineer, 1st Division, dated Madras, 13th September 1871, No. 5341.

Administrative Department.

I have the honour to acknowledge receipt of your letter, No. 1695, of 26th August last, pointing out that Rupees 2,152, not Rupees 651-15-10, should have been placed at your disposal on account of the road from the Custom-house to the Merchants' godowns at Ganjam, and to observe that as in G. O., No. 339, of the 4th February last, an allotment of Rupees 1,500 had been made for the work, the balance unspent out of that amount, viz., Rupees 651-15-10, was replaced to the credit of the Public Works Department, as per account furnished to this office by the Controller of Public Works Accounts.

2. There is nothing provided in the current year's Budget Estimate for the road in question, and I regret that the Port Fund is not in a condition that would warrant a grant of the larger amount, viz., Rupees 2,152.

3. I take this opportunity of observing that, while the receipts of the Port Fund at Gopalpore were Rupees 7,597-13-6 during the last official year, those of the Sea Customs Department, derived from the trade of the port, amounted to Rupees 18,744-5-10, and it is a question why the general revenues, to which the latter are credited, should not bear the cost of roads communicating with the Custom-house. The deficiency which has to be made up for completing the road above mentioned ought, I think, to be supplied from that source.

Referred to the Financial Department.

No. 56. From the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, Fort St. George, dated Dowlaishweram, 7th October 1871, No. 2128.

In continuation of my letter, No. 2042, dated 1st October 1871, I have the honour to forward, herewith, for the information of Government, copy of letter, No. 111, dated 20th September 1871, received from the Executive Engineer in charge, No. 2 Range, Ganjam.

Proceedings of the Madras Government, Financial Department, *24th November* 1871.

From the Executive Engineer in charge, No. 2 Range, Ganjam, to the Superintending Engineer, 1st Division, dated Aska, 20th September 1871, No. 111.

I beg to bring to your notice that a sum of Rupees 1,500 has been granted in last year for road from Custom-house to Merchants' godown at Ganjam, of which a sum of Rupees 848-0-2 has been spent, leaving a balance of Rupees 651-15-10, which was granted in the current year (*vide* Proceedings of the Madras Government, Marine Department, dated 4th August 1871), but the balance Rupees 2,151-15-10 of the estimated amount, Rupees 3,000, has not been granted in the current year; I, therefore, beg you will be kind enough to obtain sanction for the balance, Rupees 1,500, at your earliest convenience.

Transferred to the Financial Department in continuation of endorsement in this Department, dated 10th October 1871.
