MADRAS RECORD OFFICE.

Government of Madras.

DEPARTMENT.

G.O. No.	Press / Mis.-
Dated	18 .

Not to be folded or roughly handled

Proceedings of the Madras Government, Financial Department.
27th November 1871.

No. 71. Read the following letter from the Chemical Examiner in charge Assay Department, to the Chief Secretary to Government, Fort St. George, dated Medical College, 16th November 1871, No. 120:—

The manufacture of acids by this Department for other than assay purposes having been discontinued by Order of Government since 1st October, the leaden chamber in which sulphuric acid was made for many years by the Mint and Assay Departments being still under my charge, I have the honour to state that an offer of 500 Rupees has been made to purchase the same with its tools, &c., and with the privilege of working it on the spot, the purchaser paying the usual Government taxes.

2. As the leaden chamber is in an open plain, nearly half a mile from the late Mint premises, and near the Cochrane's Canal, I would recommend the offer for the favourable consideration of Government.

No. 72. ORDER THEREON, 27th November 1871, No. 696.

The Government sanction the acceptance of the offer of Rupees 500 for the purchase of the leaden chamber in which sulphuric acid was made by the late Mint and Assay Departments.

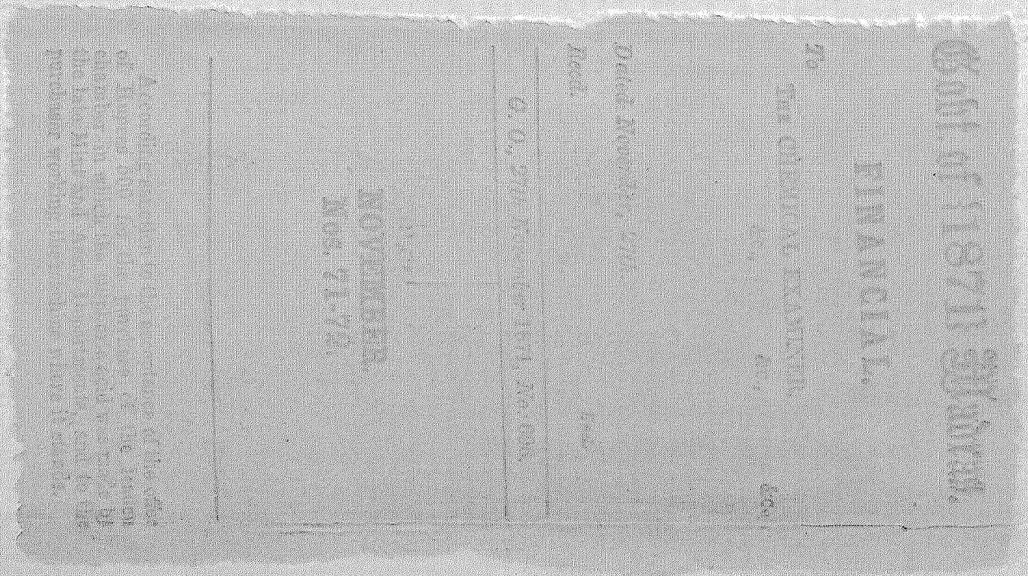

2. Sanction is also granted for the purchaser working the sulphuric acid chamber in the locality mentioned in paragraph 2 of the foregoing letter.

(True Extract.)

Chief Secretary.

To the Chemical Examiner.
,, Accountant-General.

Erd. J. Wright.

No 120.

Medical College
Survey Department
16th November 1870.

The Chief Secretary
to Government.
Fort St. George.

Sir,

1. The manufacture of Acids by this Department for various Chemical purposes having been discontinued by Order of Government dated 5th October 1870, the Steam Engine and Boiler attached to the Sulphuric Acid Works for many years by the Medical and Survey Departments being still under my charge, I have the honor to state, that an offer of 500 Rupees has been made to purchase the same with the fixings &c. as they stand; the purchaser paying the usual Government taxes.

2. As the Madras Chamber

it in an open field, near by
½ a mile from the Lake Shore
premises and near the Cleveland
Canal. I would recommend
the offer for the favorable
consideration of Government.

Hoping the honor to be,

Sir,

Your most obed't Serv't

Henry Loring

(Chemical Examiner
in the Assay Department.)

Mobile Ala. Feb. 27th 1861

Dear Sir

Your favor of the 25th inst. is at hand, and I am glad to learn that you are all well. We are all well here, and have been since I last wrote you. I have been very busy since I returned from Montgomery, and have had no time to write to any of my friends. I have been attending to the business of the Confederate States Government, and have had a great deal of work to do. I have been appointed Collector of Customs for the port of Mobile, and have had to organize the office, and get it in working order. I have had a great deal of trouble in getting the office started, but I think I have it pretty well under control now. I have been appointed Collector of Customs for the port of Mobile, and have had to organize the office, and get it in working order. I have had a great deal of trouble in getting the office started, but I think I have it pretty well under control now.
