No. 77. Read the following letter from the Judges of the Madras Court of Small Causes, to the Chief Secretary to Government, Fort St. George, dated Madras, 15th November 1871, No. 177 :—

We have the honour to submit, herewith, the Budget Estimate in duplicate for the year ending 1872-73.

No. 78. ORDER THEREON, 27th November 1871, No. 700.

The Budget Estimate of the Court of Small Causes, Madras, for the year 1872-73, shows that the probable receipts will amount to Rupees 91,581, and the probable charges to Rupees 82,767.

2. The receipts exceed the estimate* for 1871-72 by Rupees 2,951, but fall short of the actual receipts† in 1870-71 by Rupees 9,981. The Government are of opinion that unless there is a falling off in the fees, fines, &c., collected in 1871-72 as compared with 1870-71, on which point the Accountant-General will report, the net receipts for 1872-73 should be fixed at Rupees 1,00,000, *i.e.*, Rupees 1,562 less than the actual receipts for 1870-71.

* Rupees 88,630.
† Rupees 1,01,562.

3. The charges exceed the actuals for 1870-71 by Rupees 2,987, and the grant for the current year by Rupees 19.

4. The latter excess is due chiefly to the provision of Rupees 120 for cloth for table covers, and for repairing the seal of the Court.

5. The estimate for 1871-72, as well as the estimate for 1872-73, provides Rupees 438 for printing work to be executed at the Government Press. This charge will be removed from the estimate for 1872-73, and the grant for the year fixed at Rupees 82,329.

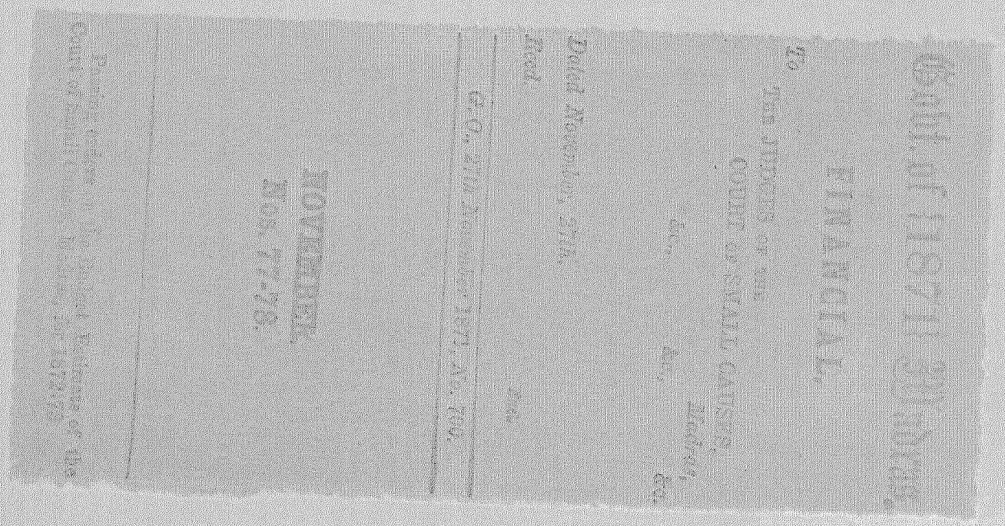

6. The repair of the old furniture and the making up of new furniture, for which a sum of Rupees 200 has been provided in the estimate, will be carried out at the Penitentiary.
