No. 81. Read the following letter from the Acting Inspector-General, Indian Medical Department, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 15th November 1871, No. 371 :—

With reference to paragraph 8 of the Proceedings of Government, Financial Department, No. 529, of the 6th ultimo, I have the honour to forward, for submission to the Right Honourable the Governor in Council, the accompanying letter from the Superintendent-General of Vaccination, intimating that he will take immediate steps to have the cost of vaccination apportioned between the various Local Fund Circles as required under recent rules.

From Surgeon JOHN SHORTT, M.D., Superintendent-General of Vaccination, Madras Presidency, to the Secretary to the Inspector-General, Indian Medical Department, Fort St. George, dated Madras, 10th November 1871, No. 1159.

I have the honour with reference to your Docket, No. 5546, of the 21st October 1871, forwarding Proceedings of Government, Financial Department, No. 529, of 6th October 1871, and with reference to paragraph 8 of Order thereon, to offer the following explanation.

2. Several Presidents of the Local Fund Boards not having given the population of the Circle in their districts, I have only been able to apportion the gross amount required for vaccination between the Circles, and as I had not been furnished with a copy of the Local Fund Rules, I was ignorant of the matter till I received the copy now furnished to me. Immediate action will be taken in calling on the Presidents of the different Local Fund Boards for information as to population, and the cost of vaccination will be apportioned accordingly.

No. 82. ORDER THEREON, 28th November 1871, No. 705.

Recorded.

2. The Inspector-General, Indian Medical Department, should have furnished Dr. Shortt with a copy of the Rules when issued.

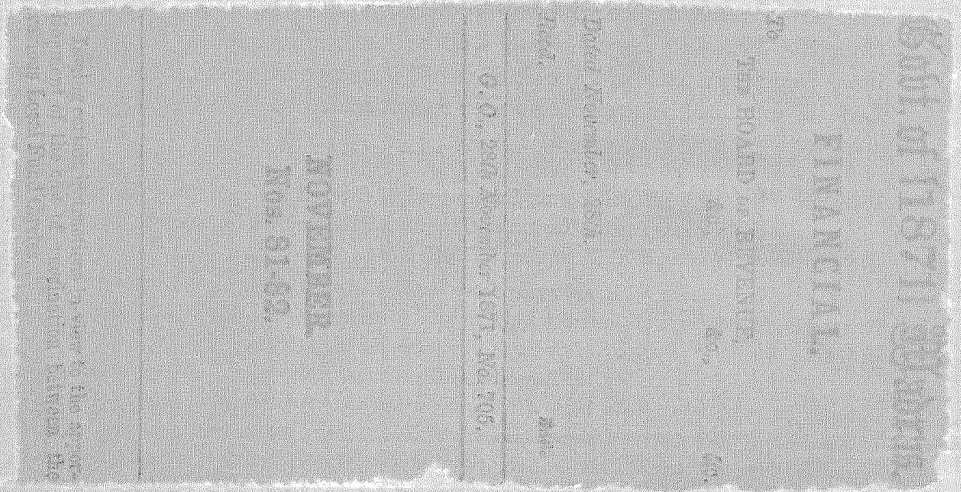

3. The existing staff of Vaccinators in each district containing more circles than one is to be divided between the circles; and it is only the cost of the District Superintendents that is to be shared in proportion to population.
